Hope PTO Meeting Minutes
February 14, 2018
Minutes taken by: Barb Bureau

In attendance: Kristy Peterson, Patti Truesdell, Sara Fortin, Barb Bureau, Doug Hayman, Sam Brown

Meeting began 3:45pm

Treasurer's Report: Sara asked for approval of \$1800 check for Alyeska ski lessons. None opposed. Discussion about utilizing Moose Pass bus possibly. All agreed we don't need to. Discussion about parental contribution to ski lessons. All in agreement that every kid attends that wants to, regardless of ability to pay. Approval given for \$100 check for Jugglers workshop, coming up Feb 28.

Teacher's Report/Misc:

- All volunteer drivers (for ski lessons, etc) must complete drivers/insurance forms
- Kindergarten "graduation" - discussion about how to acknowledge K's and 8th graders in May. All agreed to combine "graduation" with volunteer luncheon, last week of school. Other end of year activities discussed, dates to be announced later
- Kristy spoke about her involvement with NASP (archery) program and said she has approval for "grant" of \$200 if \$800 worth of equipment is purchased, so she requested \$600 from PTO/? to purchase archery equipment. She explained this is not affiliated with 4H and requires 10 hours of in-school lessons which she and Andy could do as PE class. Approval given for PTO to pay half (\$300). Request to Doug to see if SD would pay other half. Doug will find out and confirm. He requested details from Kristy (copy of grant, etc).
- Ms T reported on Forensics Meet on Feb 24 - 3 students going to Tustamena School for this.

Meeting adjourned 4:22pm
