Hope PTSCA Meeting Minutes
March 24, 2016
Minutes taken by: Barb Bureau

Meeting began: 4:00pm, Tues, March 25, 2016

In Attendance: Patti Truesdell, Barb Bureau, Diane Olthuis, Jason Skaareen, Tahnetta Stroh

No agenda, so a more informal meeting

Teacher's Report: Patti said Homer Fireweed academy cancelled end of year trip. Valentines Party with Tyonek was a success. Patti will contact Jim Skogstad about woodworking class. Suggestion made that they could make a ONE WAY sign for our parking lot - ?! Spring Track may not do as we can't coordinate dates and volunteers/coaches. Discussion about having some kind of running club because the kids really want to do it. Maybe an informal cross country club... Patti will talk to Pam Skogstad. St Patty's dinner made \$427. Field trip to GET AIR in Anchorage for Battle of Books participants will be April 14. Big kids will go to visit UAA campus. Discussion about other activities for that day - picnic at a park, visit Ann Miller? Discussion about cost for that day. Patti made a motion to take kids to Get Air for one hour (\$18/hour/kid) and have lunch, to be covered by PTA, but not to exceed \$300. Tahnetta seconded. All in favor. Patti will be gone April 17-23 (Wash DC). Tahnetta is covering for her and Bob is covering for Tahnetta. Leadership Club did a great job with Bob Yoter. Sandy mentioned the Jump for Heart lady is coming to Hope March 31st. Kids will make a healthy lunch that day. Science Fair will be last week of April - 27th? Cooper Landing will be here for it, maybe Moose Pass?

Miscellaneous Business:

Discussion about by-laws and audit. Tahnetta brought us up to date on these. She and Sara and Jason have been working hard on it and will continue to work on cleaning up the by-laws. Sara is collecting info for audit. It was decided to pick one month (May 2015) and work from there. Discussion about check signers. This too should be worked out by May...

Patti went over last month's minutes and said the \$600 check was given to Tyler Motoyama along with a letter stating how the money is intended to further his education. Tyler agreed and signed letter. Letter can be found on file in office.

Diane talked about end of year trip for middle/HS kids - Manitoba Cabin overnight. Older kids (Ben, River, Liam, Jon) will spend two nights, younger kids spend one night. Dates discussed. May 4-6 probably. Diane will secure grant from Historic Corridor (\$500) which will cover cabin rental, Historical Society book on the area and some food. Discussion about younger kids

Meeting adjourned: 5:00pm
