In Attendance: Jason Skaaren, Diane Olthius, Tahnetta Stroh, Patti Truesdell, Sandra Barron, Michael Hanson on speaker phone, Barb Bureau

Principal's Report:

Michael reported on budget meeting last month. Overall, there's not much that Hope School can cut in terms of saving money, except maybe electric bill and procard expenses. Min. numbers of small school legislation discussed...Michael emphasized that it's important to stay communicating and informed on this, so nothing sneaks up on us. Ms T is hoping to meeting with Mike Chenault and ? Micciche (?) tomorrow in Soldotna to plead our case. So far the district is "on our side".

Teacher's Report:

KTUU is here today, doing a story on Hope School and small schools. AMP results out. Hope scores look relatively pretty good. KPBSD scored better overall than ASD. Discussion about testing and how effective this new test is/was. Parents should know their kids' scores by end Nov.

Middle and HS kids going to Soldotna tomorrow to various schools to shadow.
