Expenses include breakfast supplies, open house supplies and Battle of the Books books that Christen bought. Motion made (Jess) to reimburse Christen no more than \$200 for books she bought. Seconded by Jason. All in favor. Jess discussed making a spreadsheet for treasurer activity, showing expenses, etc. Motion made (Jason) to reimburse Sasha no more than \$200 for necessary PE equipment. Seconded by Barb. Discussion about PE gear needed. All in favor.

Misc:

Tahnetta reported that Christen is currently going thru library, purging old books and wanting to buy some new sets, as well as create a comfy sitting area for kids. Since we don't have an official librarian we have no funding, so she proposed an annual budget for books and materials. Discussion. Jess made a motion to approve \$500 from PTO funds for books for this year, to be visited annually. Seconded by Diane. All in favor.

New secretary – Molly has started. Yeah!
